How much does it cost?

The following table shows the fees and expenses you could pay to invest in or redeem units of the fund.

1. Sales charges

Sales charge option	What you pay	How it works
Preferred series 2 FEL option	Up to 2% of the amount you invest.	<ul style="list-style-type: none"> You and your financial security advisor determine the rate. The fee is deducted from the amount you invest. It is paid as a commission.
